

Production Control & Quality Assurance Internship

Intern (m/f/d)

Location: INDONESIA

Since 2015, we, **GRUZZE™**, dedicated ourselves to the fine design with the exclusivity of leather goods that suited every outfit perfectly. -*We are convinced that leather goods do not have to be old-style only, but also **Stay Classy and Luxurious!*** following our tagline. We combine minimalistic design, high quality and natural materials with great attention to functional details. Our leather goods are lasting, loyal partners for the countryside and big urban adventures and are always an individual statement for taste and style – designed in Asia.

We are rapidly expanding, and you can be a part of it! Have a look at our website www.gruzze.com. Our office is virtual which you can work from anywhere and remotely! – *“We love to be innovated with smart work on technology.”*

We are currently looking for an Intern to support us in Production Control & Quality Assurance topics:

- You work on different project with challenging topics to grow in our business (e.g. sourcing, surveying, production control and quality assurance)
- Follow-up product manufacturing at our workshops
- Reporting to the Chief Operation Officer (COO)
- Research products to fit the company’s KPIs
- Team work coordination with other departments

What we expect?

- You are still an active student and finished your 1st year of Master studies in Industrial Management or Business Management with outstanding grades, you take responsibility and are driven: you want to be a part of the success story of **GRUZZE™**
- You have an eagerness on production control and quality assurance
- Skilled to operate most of Microsoft Office Programmes (Word, Excel, PowerPoint)
- Thorough, analytical, nimble, communicative, have a good initiative, and able to work in team
- Speak Indonesian fluently (a plus with some folks’ languages e.g. Javanese, Sundanese, etc.)
- Speak English in intermediate level
- You are willing to travel to our workshops regularly and work remotely (Preference if you are based in our workshop area)
- You have at least basic IT skills for operating website and E-Tailer/ E-Commerce
- You’re not scared of unknown topics! However, it’s not that important what you are studying, we find it more important that you are smart and a quick-learner. On top of that, you should like our brand and our products.

What do we offer?

- You will be a part of a small, young team in a fast-growing fashion label. You can help shape the future of **GRUZZE™**, and develop professionally and personally through challenging projects and in direct collaboration with our CEO/Co-founders.
- Start-up-Feeling: you are very close to the build-up of an organization, thereby you get deep insights into all areas.
- Fun working culture and high trust of your skills and dedications.
- Working remotely without any pressure.
- An attractive incentive scheme for Master Student Intern

Are you interested? Or have further enquiries?

Just send us an email to our Human Resource Department at hr@gruzze.com with a few words about yourself, your motivation, as well as your availability. Please also attach your current Curriculum Vitae (CV) and all relevant certificates in pdf format. - *We are looking forward to your application!*
